

The Visitor

MAY 2020

Together

This first Sunday in May will be our eighth Sunday not being able to meet in person. Yet the church continues to flourish in the midst of this difficult time. Sunday school classes and life groups are meeting virtually, worship elements (sermons and music) are recorded and distributed online. College students are teaching children's Sunday school lessons and providing them to families through our YouTube channel. It is also worth noting that giving is exceeding 100 percent through the end of March.

First Baptist Church is adapting to the new realities of our world. I could not be more pleased with how our church leaders are learning new ways of functioning.

At this point, we do not know what the future holds. Hopefully, we will have more information in the next few weeks as to when and how we might resume worship services. For now, know that we are committed to being together in spirit each week and will continue to provide online resources to help you worship with your household.

Thank-You Notes

Tom Jennings – Dear First Baptist Church, Thank you so much for the pretty flowers during my hospital stay. It meant a lot to me to know people cared. Also, Thank you Wade for your visit and for praying with me on the phone. I appreciate it. Sincerely,

Jeff and Sally Jones – We have really appreciated the outpouring of love and support over the past few months during his mom's fall and recent death. Thank you for the cards, texts, prayers and phone calls. Many of you have sent memorials in Thelma's name to the church or humane society which are a wonderful tribute to special lady, Thelma E Jones, 97. Continue to be safe and well as we weather this pandemic together.
